

Area Septic Services, Inc. Storm Shelter Warranty

_____ **Slope Front Shelter:** The manufacturer warrants this product from leakage for a period of ten (10) years from the date of installation. This warranty includes the seal between the two units. However, this warranty does not apply to moisture that may appear which is cause from condensation due to the temperature variations, humidity, etc. *Also this warranty does not apply to water that may come in through the ventilators or the door.* Small cracks that are caused by expansion and/or contraction, which do NOT cause leakage, are not covered by this warranty.

_____ **5x7 Flat-top Shelter:** The manufacturer warrants this product from leakage for a period of five (5) years from the date of installation. This warranty includes the seal between the two units. However, this warranty does not apply to moisture that may appear which is cause from condensation due to the temperature variations, humidity, etc. *Also this warranty does not apply to water that may come in through the ventilators or the door.* Small cracks that are caused by expansion and/or contraction, which do NOT cause leakage, are not covered by this warranty.

_____ **6x8 Flat-top Shelter:** The manufacturer warrants this product from leakage for a period of five (5) years from the date of installation. This warranty includes the seal between the two units. However, this warranty does not apply to moisture that may appear which is cause from condensation due to the temperature variations, humidity, etc. *Also this warranty does not apply to water that may come in through the ventilators or the door.* Small cracks that are caused by expansion and/or contraction, which do NOT cause leakage, are not covered by this warranty.

_____ **6x13 Flat-top Shelter:** The manufacturer warrants this product from leakage for a period of five (5) years from the date of installation. This warranty includes the seal between the two units. However, this warranty does not apply to moisture that may appear which is cause from condensation due to the temperature variations, humidity, etc. *Also this warranty does not apply to water that may come in through the ventilators or the door.* Small cracks that are caused by expansion and/or contraction, which do NOT cause leakage, are not covered by this warranty.

_____ **Any Shelter Encased in Concrete:** The manufacturer cannot warranty any shelter encased in concrete or surrounded in concrete (patio, garages, storage building, etc.) due to lack of access to repair and possible cost to replace..

All patio shelter have a 5 years warranty as opposed to the slope because it is buried deeper into the ground. Due to the condition of Oklahoma soil and clay, there is variance in ground shifting and settling.

I hereby, accept the warranty of this product as stated above.
